

About National Centre for Earth Science Studies (NCESS)

The National Centre for Earth Science Studies (NCESS), formerly Centre for Earth Science Studies (CESS), Thiruvananthapuram was established in 1978 with the mission to unravel the mysteries surrounding the earth and its processes for the sustainable development of natural resources, conservation of environment and management of natural hazards.

NCESS is situated in a tranquil and serene location amidst greenery and the placid Akkulam lake in the city of Thiruvananthapuram, also known as Trivandrum, the capital of the state of Kerala. Thiruvananthapuram has emerged as one of the prominent R & D hubs of the country with a cluster of research centres, like the Vikram Sarabhai Space Centre (VSSC), the Indian Institute of Space Science and Technology (IIST), the Indian Institute of Science, Education and Research (IISER), Rajiv Gandhi Centre for Biotechnology (RGCB), Sree Chitra Thirunal Institute of Medical Sciences and Technology (SCTIMST), National Institute for Interdisciplinary Science and Technology (NIIST), Electronic Research & Development Centre (ER&RC), etc.

How to reach NCESS?

The city of Thiruvananthapuram is well-connected to all the major cities of India by road, rail and air. The Central Bus and Railway Stations are located at Thampanoor, in the heart of the city, which is approx. 10 km from NCESS. The Kochuvelli Railway Station, a satellite passenger terminal in Trivandrum, located at a distance of 6 km from NCESS is also in close proximity. The International Airport is situated at about 8 km from NCESS.

Conference Theme:

Keeping the focus on "Ocean and Climate Change", we invite papers on topics of interest to Ocean Scientists / Academicians / Engineers and Technologists in the following areas:

1	Role of Oceans in Climate change
2	Ocean observation and Modelling for Climate change scenario
3	Indian Ocean Variability and Monsoon
4	Ocean Technology and Acoustics
5	Ocean Resources and Climate Change
6	Marine Ecosystems and Bio-geochemistry of Oceans
7	Coastal Processes & Coastal Zone Management
8	Coastal Hazards & Disaster Management
9	Sedimentology & Mineralogy

Call for Extended Abstracts

One page extended abstract of research papers giving details on objective, methodology, salient results and conclusions may please be sent to osicon17@gmail.com before 25th March 2017. Times New Roman Font of 10pt size with single space may be followed for preparation of abstract. The title of paper, authors' names and their affiliations and the E-mail Id for correspondence may be given along with the abstract.

Deadlines

Last date of Abstract submission	25 th March 2017
Intimation of acceptance of Abstracts	5 th May 2017
Full paper submission	15 th June 2017
Intimation of acceptance of full paper	20 th July 2017

Registration Fee

OSI Member	Non-OSI member	Students
Rs.1000	Rs.2000	Rs.500

OSI encourages active participation by students and research scholars in large numbers and there will be prizes for the best papers.

Correspondence Address

Dr. K.K. Ramachandran, Convener, OSICON-17

Group Head, CoP, NCESS, Akkulam
Thiruvananthapuram 695011
