

NATIONAL CENTRE FOR EARTH SCIENCE STUDIES

**CORRIGENDUM-1**

Dated: 12.04.2021

Please refer to E-Tender No. EAM/MIS/041f/2019/NCESS Date 31.03.2021 in <https://eprocure.gov.in/> portal and NCESS website for the "Renovation of room for installation of wet labs (for clean chemistry) associated with Class 10000 clean lab"

This is to inform you that the Competent Authority has reviewed the terms and conditions after the response received from the prospective bidders (in the Pre-bid meeting). The modification in the terms and conditions and Technical Specification of the tender is detailed below;

**TERMS AND CONDITIONS:**

1. Part payment in three parts (as also done for Class 10000 clean lab) as follows i) After acceptance of the order (30%), ii) After physical installation and verification by the end user (40%) and iii) After final completion, validation and commissioning of the Clean lab (30%).
2. Eligibility criteria as specified in the tender document: "eligible contractors of CPWD and State PWDs, MES, Railways, Irrigation Department, KWA for the above work" is not mandatory.
3. Therefore, a copy of the CPWD/ PWD/ MES/ Railways/ Irrigation Department/ KWA valid license need not be submitted.
4. "The supplier should have prior experience of making clean lab or a wet lab associated with clean lab (for clean chemistry) using high-pressure laminates (HPL) at CSIR/DST/MoES/DOS National R & D institutes or IIT, IISER, etc. The details of such works to be provided".

**TECHNICAL SPECIFICATION**

SI No. 6 of the Technical Specification may be read as "Supply, Fabrication, installation, Erection and testing of return air grille"

The other terms & conditions remain unchanged.

This issues with the approval of Competent Authority.

Note: Please see our website <https://www.ncess.gov.in/tenders.html> for more details.
